

Notes from Flip Charts

Place Based Community Development

Community Engagement

- Empowerment
- Delegate authority
- Collaborate
- Consult
- Inform

Absentees

- Threats to status quo
- Funder Agendas
- Silos

Collaboration in Interests of a common Agenda

- City without poverty
- Empowered residents/ healthy communities
- Where stakeholders participate in problem solving
- It takes a village
- Where everyone belongs
- Puts community first
- Great community for everyone
- We love where we live and work

Common indicators of success

- Common agenda/shared vision
- Shared measurement – needs common goal, theory of change, evaluation not paid, power of anecdote
- Mutually reinforcing activities – understanding talents and assets
- Continuous communication – timelines, meeting fatigue
- Backbone support – resources, for public/private partnerships
