

## Notes from Flip Charts

### Shared Space Facilities

#### Messages on shared facilities

- Preparation
- Support
- Clearly viable
- Good example of collective impact
- Programmatic synergy
- Cross sector engagement (Non profit & for profit & public)

#### If there is a vision

- There is a desire for shared facility and to work together collaboratively

#### What needs to be in place?

- Financing
- Support/education/mentoring
- Encouragement
- Leadership
- Stories (success/failure)
- Trust
- Start small
- Put in writing
- Be realistic
- Be clear on your financial investment
- Be prepared to take the time

#### Investment vs Degrees of Collaboration

<b>Greater Investment (+ planning)</b>	<b>High Investment Low collaboration</b>  Technical Support	<b>High Investment High collaboration</b>  Joint Program Delivery
	<b>Low Investment Low Collaboration</b>  Purchasing, Printing, Copying	<b>Low Investment High Collaboration</b>  Reception
		<b>Greater Collaboration</b>

**Who can put it in place?**

- People with an interest/vision
- Community leaders (but trust has to be there)
- People with money/in kind
